Subject: NHS Migrant and Visitor Cost Recovery Programme

## REQUEST

I am writing to request information about any charges your Trust has issued to non-UK patients under the NHS Migrant and Visitor Cost Recovery Programme.

I am seeking information for each of the last two full years of recorded charges - ideally 2021, 2022.

Please could you provide the following details:

- a. the number of non-exempt overseas visitors the Trust has treated
- b. the number of non-exempt overseas visitors the Trust has charged for treatment
- c. for each of the patients above, please could you state the fee charged and what treatment was provided, what (if any) payment was received and in cases of outstanding monies, what if any action has been (e.g. debt written off, referred to debt recovery, small claims court etc.)

If this information is held within a spreadsheet, please could you send the full spreadsheet (personal data redacted)

I do not require names of patients, addresses, ages, nationalities or other identifying personal data - and am happy to discuss any modifications required to meet cost limitations.
