REQUEST & RESPONSE

I write under the terms of the Freedom of Information Act 2000 to request the following information on 'active beds' across your Trust. An active bed is any staffed bed that is in service, occupied, or unoccupied.

As of 1st of July 2021 (or most recent available data):

1. How many active beds were in service? If possible, please break this down by sector as delineated by NHS England in the KH03 quarterly collection (General & Acute, Maternity, Learning Disability and Mental Health - please note, if you are a mental health trust, no additional breakdown is needed)
2. How many beds were not in service? If possible, please break this down by sector as delineated by NHS England in the KH03 quarterly collection.
3. Please clarify why these beds were not in service.

In the first week of July 2019:

1. How many active beds were in service? If possible, please break this down by sector as delineated by NHS England in the KH03 quarterly collection.

2. How many beds were not in service? If possible, please break this down by sector as delineated by NHS England in the KH03 quarterly collection.

As of 1 July 2021	General and Acute	Maternity	Mental Health	Learning disability	
Number of active beds in service	695	37	0	0	
Number of beds not in service	25	0	0	0	
Please clarify why these beds were not in service?	Reduction in paediatric demand				

3. Please clarify why these beds were not in service.

The beds closed were paediatric beds due to staffing issues
