From: Public
Date: 21/12/21
Subject: Ruptured ectopic pregnancies

REQUEST

I hope this finds you well. I would be grateful to know how many women have had NHS care for ruptured ectopic pregnancies for each month since 1st January 2018 please. If the numbers are so few each month so as to cause confidentiality concerns then please use wider time intervals but please keep them as small as is permissible for more fine-grained data.

RESPONSE

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request if we estimate that the cost of complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations. This represents the estimated cost of one person spending 2½ working days in answering the remainder of your questions. Under section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.
