Subject: Laparoscopic camera stack systems

REQUEST

- How many laparoscopic camera stack systems do you have at Whiston hospital and St Helens hospital
- What manufacturer/brand are they? Please state all if more than one.
- Do you have a contract in place for renewal/replacement of these systems?
- How old are they all?
- When are they due for replacement/upgrade?
- Who is the equipment manager responsible for the stacks?

RESPONSE

- 1) 11
- 2) Karl Storz
- 3) No
- 4) Parts on the trolleys range from 2008 to 2019
- 5) The stack systems have been/ are in the process of being upgraded. We've been replacing the units, on the stacks, which are no longer supported with new models.
- 6) John.clayton@sthk.nhs.uk
