Subject: CT Scanners

REQUEST & RESPONSE

I would like to submit a freedom of information request for the following information. Please use the table attached to complete the request, unless you would prefer otherwise.

1. How many CT scanners do you have in your Trust? **5**
2. How many of these CT scanners are over 10 years old? **0**
3. How many MRI scanners do you have in your Trust? **3**
4. How many of these MRI scanners are over 10 years old? **0**
5. Is your Trust a member of an imaging or pathology network/alliance?

Yes

6. Has your Trust been working in partnership with a community health setting offering diagnostics services (i.e. a dedicated diagnostic service not part of a Trust or GP practice, such as a community diagnostic hub)?

No - we do have US and Plain Film at 3 community settings.

7. What proportion of your pathology diagnostic equipment is over 10 years old?

5%

8. What proportion of your genomics equipment is over 10 years old?

NA

9. Is your Trust working in collaboration with a genomics laboratory hub?

No

10. If the answer to 9 was 'Yes', what proportion of total genomics diagnostic procedures that your Trust is responsible for are allocated to the genomics hub?

N/A
